

STINGRAY 201DC

IF YOU LOVE the open feel of a deck boat, but like your vessel to have a full windshield, you shouldn't have to choose. Enter the 201DC (or 191DC, if you prefer something a little smaller). You heard right... a deck boat with a full windshield.

New for the 2016 model year, Stingray's 201DC Deck Boat measures 20-feet by 1-inch and features a wide 100-inch beam. The open deck boat layout allows passengers to feel like they have their own space. To further optimize space, Stingray designers built in lots of storage spaces around the boat for stowing supplies and gear, while keeping the cockpit clean for everyone to easily move about.

Standard features include a freshwater sink that's easily accessible in the cockpit, a 25-quart removable Igloo cooler for easily bringing pre-chilled drinks aboard, a bow anchor locker, bow storage, a bow cooler, stainless steel bow and aft ladders, floor storage with an oversize lid, nano-block stain-resistant vinyl, easy-access panels to the engine compartment that are cleverly

STINGRAY

disguised by removable storage bins and a self-bailing cockpit that makes

cleanup easy at the end of the day.

Deep cockpit and bow areas provide extra safety and security for your passengers, and a rear-facing lounge seat opposite the captain's chair is a great feature for keeping an eye on your water sports enthusiasts. Like the rest of the Stingray deck boat line, the 201DC provides the versatility and ease of maintenance of outboard propulsion.

When you're ready to hit the water for fun and relaxation, check out the 201DC deck boat. It features everything you look for in a deck boat of its size, plus a full windshield for your passengers — not to mention its sleek sport boat looks.

For a complete list of specifications, plus a detailed list of standard and optional features, including our optional fishing package, visit STINGRAYBOATS.COM/201DC. Contact your nearest Stingray dealer (STINGRAYBOATS.COM/DEALERS) to schedule a test ride so you can experience the 201DC Deck Boat for yourself.
